

It's Your Life

Clawfinger

It's your life, it's in the making
Grap a slice, it's all for the taking, 'cause it's
Fast fun and it's cheap tricks, you know the pants on hang you
get your kicks

Chorus:

You want it, you need it, you get it and and
You loose it, you win it, you been it, you truce it,
You love it, you hate it, you give it and and
You take it, you live it, you leave it or break it.
Steal the moment and enjoy the game of life,
Make the most of where you are right now!
Get your last drain make by our teasing life,
Beeing our be, sit together somehow - cause it's your life!

It's your race from the beginning,
Set the pace make sure that you winning, 'cause it's
Be first or it's be nothing, so do what it takes, even if it me
ans bluffing.

Chorus (2x):

You want it, you need it, you get it and and
You loose it, you win it, you been it, you truce it,
You love it, you hate it, you give it and and
You take it, you live it, you leave it or break it.
Steal the moment and enjoy the game of life,
Make the most of where you are right now!
Get your last drain make by our teasing life,
Beeing our be, sit together somehow - cause it's your life!

It's your life!!!
