

# Touch

Clay Aiken

Blue, is the ocean in your eyes,  
Blue as cool September skies, as a lonely waterfall.  
Red, is the fire in your heart,  
for the passion and love that we make as the sunset is fading a  
way.

Angel, heaven starts here tonight in your arms,  
wanna drown in your body get lost in your charm.  
Now that you're here, angel dont go, lets keep the move nice an  
d slow

All I want is your touch, all I want is your heaven right here  
by my side, every night.  
All I want is your touch, all I want is your tenderness here in  
my life, every morning and night.  
Girl cause your touch is so right

Yes, I've been thinking about you.  
I've imagined the feel of your body and how it will be when we  
move.

Darling, magics alive tonight in your arms  
wanna drown in this moment, get lost in your charm.  
Now that you're here, don't move too fast lets make the moment  
last.

All I want is your touch, all I want is your heaven right here  
by my side, every night.  
All I want is your touch, all I want is your tenderness here in  
my life, every morning and night.  
Girl cause your touch is so right

I don't want nobody else and you see that my body is aching,  
I'm hopelessly taken by you.

All I want is your touch, all I want is your heaven right here  
by my side, every night.  
All I want is your touch, all I want is your tenderness here in  
my life, every morning and night.  
All I want is your touch, all I want is your heaven right here  
by my side, every night.  
All I want is your touch, all I want is your tenderness here in  
my life, every morning and night.  
Girl cause your touch is so right  
your touch is so right  
right  
your touch is so right.
