

Hand Me Down Heart

Clay Walker

Well baby, I ain't gonna lie
This ain't my first ride
I've saddled up and bruised my hide a time or two

It's true I'm not a brand-new man
I've been around the block and back again
But I've already been broken in, yeah, I'm the one for you

And well, if you don't mind a hand me down heart
I've got just the thing for you
It's been used and it's been bruised
But it still beats like new

It's got a few burned valves, it's a little worn out
But baby, it'll love you true
So if you don't mind a hand me down heart
I've got one for you

Well, I've seen a few miles and years
I've cried a few thousand tears
But honey, let me calm your fears
And leave no doubt

'Cause when you got a rebuilt heart
You only use the very best parts
And it's guaranteed to start lovin' you right now

And well, if you don't mind a hand me down heart
I've got just the thing for you
It's been used and it's been bruised
But it still beats like new

It's got a few burned valves, it's a little worn out
But baby, it'll love you true
So if you don't mind a hand me down heart
I've got one for you

It's got a few burned valves, it's a little worn out
Baby, it'll love you true
So if you don't mind a hand me down heart
I've got one for you
