

Thinking Out Loud

Clay Walker

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?

And, darling, I will be loving you 'til we're 70
And, baby, my heart could still fall as hard at 23
And I'm thinking 'bout how people fall in love in mysterious ways
Maybe just the touch of a hand
Me, I fall in love with you every single day
I just wanna tell you I am

'Cause, honey, now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are

When my hair's all but gone and my memory fades
And the crowds don't remember my name
And when my hands don't play the strings the same way
I know you will still love me the same

'Cause, honey, your soul could never grow old, it's evergreen
And, baby, your smile's forever in my mind and memory
I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
And I'll just keep on making the same mistakes
Hoping that you'll understand

That, baby, now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are

So, baby, now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh, darling, place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are
Baby, we found love right where we are
We found love right where we are
