Hey boy, can you be my lover?

When will I become an adult?
As much as I've gotten taller,
My heart is (I want you)

I want a heart-warming love
I want a heart-trembling love
Like I'm an adult

I hear bells ringing in my ears
I'm learning love like this
Like a movie

The person I want to give my everything
You're my first love
The person I want to put in my heart
You're my first love Oh oh oh

My pounding heart
Is for you
My pounding and fluttering heart
Is for you
I think this is love
What do I do?

I'm filled with you
I don't know what to do
What do I do?

The person I want to give my everything
You're my first love
The person I want to put in my heart
You're my first love Oh oh oh

My pounding heart
Is for you
My pounding and fluttering heart
Is for you

I think this is love
What do I do?

Uh uh huh hey boy
Like love is being embroidered, it feels like a dream
Your warm touch softly caresses my hair
It shakes up my heart
I close my eyes but I keep thinking of you,
What do I do?

I'm holding you in my arms
Forever with you
I'm gonna hold tight and never let go
You made my heart tremble like this
I'll always cherish this love,
Your gift

I'm still young and inexperienced
But will you come a little closer?

I keep missing you
You're my love
I want to give my all to you
You're the love I've been looking for

My pounding heart
Is for us
My pounding and fluttering heart
Is what shines on us
Everything feels like a dream

I love you
