I want you ma boy

I'm curious, I'm curious about you
I'm curious about you

All day, I'm looking at my phone
Even I think I look like a patient
Messenger, SNS, I like you, what do I do?
I'll get in big trouble at this rate
It'll become pie in the sky

I'm curious, how are you these days?
I wanna know your each minute and each second
I'm curious, what're you doing now? Tell me honestly
My heart pounds just by looking at your profile picture

I like you, the way you talk, your face expressions, everything
Your friends, your dog, your hobbies, everything
I wanna be in the same place, in the same time, with you
Every day, I wanna be with you

I'm curious Oh oh oh oh oh
If it's you, I'm happy
Oh oh oh oh oh
If it's you, I'm happy
What can I do for you to know my heart?
The more I see you, the more I miss you

I'm getting filled with you more and more
My head is growing white
U r ma boy boy
You're coming closer to me
You're falling more and more into me too
I want you ma boy

I'm curious, what do you think about me?
I want to be a pretty person in your radar too
I'm curious, what're you doing now?
Be honest, you'll like my profile picture too

I like you, the way you talk, your face expressions, everything
Your friends, your dog, your hobbies, everything
I wanna be in the same place, in the same time, with you
Every day, I wanna be with you

I'm curious Oh oh oh oh oh
If it's you, I'm happy
Oh oh oh oh oh
If it's you, I'm happy
What can I do for you to know my heart?
The more I see you, the more I miss you

You still don't know my heart
Like a fool, I can't say anything in front of you
I wanna be your girl
Should I tell you first?
I'm curious about your heart

I like you, the way you talk, your face expressions, everything
Your friends, your dog, your hobbies, everything
I wanna be in the same place, in the same time, with you
Every day, I wanna be with you

I'm curious Oh oh oh oh oh
If it's you, I'm happy
Oh oh oh oh oh
If it's you, I'm happy
What can I do for you to know my heart?
The more I see you, the more I miss you
