1, 2, 3, as I count the stars
If I fall asleep, will I see you?
I toss and turn, then 1, 2, 3
Like the white moonlight in the night sky
Will you softly whisper to me?

You came into my heart
You came into my heart
Softly hug me, only U

I try wearing short skirts
I clumsily try to put on make up
I know it's still a bit awkward
Did you think I was too young?
I'm probably still not good enough

You know these feelings
Why are you pretending you don't?
I'm angry but I wanna hold it in
I won't rush, please wait a little more

1, 2, 3, as I count the stars
If I fall asleep, will I see you?
I toss and turn, then 1, 2, 3
Like the white moonlight in the night sky
Will you softly whisper to me?

You came into my heart
You came into my heart
Softly hug me, only U

My heart keeps pounding, I can't sleep
I keep missing you, what do I do, bebe
Will you stay with me each minute, each second?
1, 2, 3 like magic

You know these feelings
Why are you pretending you don't?
I'm angry but I wanna hold it in
I won't rush, please wait a little more

1, 2, 3, as I count the stars
If I fall asleep, will I see you?
I toss and turn, then 1, 2, 3
Like the white moonlight in the night sky
Will you softly whisper to me?

You came into my heart
I know, like the stars
You're too far to reach
But I wanna have courage
Please open your heart

1, 2, 3, as I count the stars
If I fall asleep, will I see you?
I toss and turn, then 1, 2, 3
