All my ladies call me a dream girl like queen B
Cute but sometimes chic, we're CLC
Here we go
Uh huh uh huh uh huh uh huh
Here we go yo
Uh huh uh huh
1, 2, 3 Get nasty

Past the street and into the first building
You suddenly appeared a few days ago boy
You give me my tumbler, filled with coffee
Will you tell me too, boy?

To have a cup of coffee is why they come
Girls keep creating rumors, just stop

The cafe on the street, at 6PM, that's when you're there
When you smile, I can see your white front teeth
I come here a lot so won't you recognize me?
Even if I don't order, even if I don't say anything
Guess what I'm going to pick

Give me mocha please, without whip cream
Give me a caffe mocha please, extra chocolate syrup
Give me a caffe mocha please, and your phone number too
Even if I don't order, even if I don't say anything
Guess what I'm going to pick

When I see you, the alarm in my heart goes off again
Love is stronger than coffee with an extra two shots
I can't fall asleep these days because of the caffeine
Because I'm thinking about you, it's unbelievable

I don't wanna go home but it's time to close
The girls keep hanging around, just stop

The cafe on the street, at 6PM, that's when you're there
When you smile, I can see your white front teeth
I come here a lot so won't you recognize me?
Even if I don't order, even if I don't say anything
Guess what I'm going to pick

Give me mocha please, without whip cream
Give me a caffe mocha please, extra chocolate syrup
Give me a caffe mocha please, and your phone number too

Even if I don't order, even if I don't say anything
Guess what I'm going to pick

There's no other worker like you in this cafe
So I'm gonna act chic, paparazzi from far away
What a good choice the CEO made
Because he hired you, he sold all his coffee
Question: when will you know?
Will I see your heart in front of the register?
Should I go or not? Should I confess or not?
My heart is always looking for a chance at the cafe

The cafe on the street, at 6PM, that's when you're there
When you smile, I can see your white front teeth
I come here a lot so won't you recognize me?
Even if I don't order, even if I don't say anything
Guess what I'm going to pick

Give me mocha please, without whip cream
