There's a sickness in my heart
My heart aches because of you
It's hard to erase you
How come it's so hard?

What do I do?
Why do you keep
Hurting me?
I feel so frustrated

I don't know love
I know but I wanna pretend I don't
Because of the tears that are deeply nailed into my heart
It's hard

Love pricks me
Only scars remain
I need to forget you

Several times a day
I get locked up in sad thoughts and cry
Now I don't miss you
Even a little bit
I repeat that to myself like a habit

Like a habit, I miss you again
Repeating these feelings, erasing you
I don't think someone else
Can fill up my empty heart
In the end, it's you again

What do I do?
Why do you keep
Hurting me?
I feel so frustrated

I don't know love
I know but I wanna pretend I don't
Because of the tears that are deeply nailed into my heart
It's hard

Love pricks me
Only scars remain
I need to forget you

Only your thick scent remains here
Whatever I do, I can feel you, even when I breathe
I smile normally but then tears come
What do I do with my heart?

Why don't you know a girl's heart?
It hurts but I'll pretend it doesn't
The deeply engraved tear ducts in my heart
Has burst

Love pricks me
Only scars remain
How can I forget you?
How can I forget you?
