You belong with me you belong to me

Hey we're CLC (CLC)
Uh uh uh uh uh uh uh uh
I have a fever
I keep blankly staring at the sky
Why am I like this? am I getting weird?
It feels like I have a terminal sickness

My breath quickens
And I can't even look at you in the eye
I know I shouldn't say this, I know I'm still young
But I can't take it anymore

My heart is pounding, what do I do?
My face is turning red, what do I do?
Oppa, I like you, I like you so much
It's clear, my heart is in love

What do I do? (uh uh uh uh uh uh uh uh)
What do I do? oh (uh uh uh uh uh uh uh uh)

Baby boy, if I could make time go faster
If I had a magic spell that turned me into an adult
I'm going for you watch me
I'm going for you watch me

I imagine every day
This time, it's more serious
I dream about becoming a beautiful Cinderella and being happy
But then it turns 12 again

My heart is pounding, what do I do?
My face is turning red, what do I do?
Oppa, I like you, I like you so much
It's clear, my heart is in love

What do I do? (uh uh uh uh uh uh uh uh)
What do I do? oh (uh uh uh uh uh uh uh uh)

Can't you just accept me?
Can't you understand me? I'm in love
I'm going for you watch me
I'm going for you watch me

Tic tac toe love is too hard
My heart is aching
I can't eat anything all day

How you changed my world uh
You you you'll never know
Really, really uh uh uh uh

My heart is pounding, what do I do?
My face is turning red, what do I do?

Oppa, I like you, I like you so much
It's clear, my heart is in love

What do I do? (uh uh uh uh uh uh uh)
What do I do? oh (uh uh uh uh uh uh uh)

Please come to me, tell me you love me
I'm going for you watch me
I'm going for you watch me

I'm not kidding
I really love you oppa
I can be really good
You belong with me you belong to me
