Please, I don't wanna be bothered today  
I'm feeling emotional, don't stop me  
Don't have ill intentions towards me  
I'm sorry

Why do you keep hiding? No need to be shy  
Everyone's the same but  
You're the only one playing hard to get  
I see him, he wants to erase this day  
Very desirable

Forget everything and dance With me, let's make it our own  
What's there to be afraid of?  
If you're gonna just stand there, I'm gonna go home

I don't wanna act nice today  
Shake it more, till you get tired

Shake it move your hips  
Shake it do it just like this

This night won't ever hide  
Everyone up all night, party

I'm having fun but it's not enough,  
I wanna feel it more  
You're going home already? It doesn't matter  
I won't regret my actions today

Just follow me, stop acting so serious  
Trust your body to this rhythm  
Only sounds here tonight, it's a bit dangerous

I don't wanna act nice today  
Shake it more, till you get tired

Shake it move your hips  
Shake it do it just like this
