Baby you're a liar
Baby you're a liar
Baby you're a liar
Yeah, actually
Baby you're a liar
Just tell me everything's a lie

What are you doing? You called me over here
Putting on a show with poor acting
Your words are only lies
When you said it's over
Is that really true?

That joke was too much
That joke is not funny
Tears are coming, I'm gonna go
Say good bye

Your eyes that
Sweetly made
My heart pound
Now seem like they don't care

It's probably just me
No no I misunderstood
It's probably just my mood
No no

I can't believe it, blink blink
Jjeujjeujjeureujeujjeu
It doesn't make sense, blink blink
Ah ah you're a liar

When you said let's break up, it hit me
I don't believe you, it's a lie
Whatever you want, lie lie lie lie
L.I.A.R liar

I was too harsh last night
I was sensitive because of that girl
I don't care now I believe everything you say
Please don't be mad, I'm sorry baby

That's it, please, please stop
I was scared before
My eyeliner is smudged
Hold on I need 5 minutes

Just go
I've already held onto you
And begged several times
Even your fake face is so dirty
Even when you only gave excuses
I stayed by your side
I'm so upset
Because I can't leave you

Your eyes that
Sweetly made
My heart pound
Now seem like they don't care

It's probably just me
No no I misunderstood
It's probably just my mood
No no

I can't believe it, blink blink
Jjeujjeujjeureujeujjeu
It doesn't make sense, blink blink
