Hey boy, you and me, eh
We've been friends for a long time
We fight every day, we don't fit together
I'm saying, eh eh eh oh

But you seemed like a man that day
So I just kissed you
Oops I did eh eh eh oh

Actually, sometimes
When I see you, my heart flutters
I ignored it before
But now what do I do?
Something must've happened to me

Oh my my mistake
You and me
Oh no, this can't be happening
Oh oh oh oh oh oh no

Oh my my mistake
My heart
Oh no, can never be
Oh oh oh oh oh oh no

I can't acknowledge this
Yes, that was a mistake
But I keep thinking about it
Your lips
I don't wanna remember it
The awkward silence
Was so long
Yeah, you know too
Just like I felt
You wanna be
More than friends
Come here, tell me
I'll give you a chance, be good to me

When did it start?
My heart kept trembling
I tried to deny it
But what do I do now?
Something must've happened to me

Oh my my mistake
You and me
Oh no, this can't be happening
Oh oh oh oh oh oh no

Oh my my mistake
My heart
Oh no, can never be
Oh oh oh oh oh oh no

Maybe, from a long time ago
I knew this would happen
Oh oh oh oh oh oh no
I wanna have you by my side, always
I don't want love that will leave me, no

Oh my my mistake
Oh my my mistake

Why are there no taxis?
My face is red, blanket kick
Stop calling me, I won't pick up
This guy doesn't have any sense

Oh my my mistake
You and me
Oh no, this can't be happening
Oh oh oh oh oh oh no

Oh my my mistake
My heart
Oh no, can never be
Oh oh oh oh oh oh no
