What can you give to me?
This is your limit

You're stupider than I thought
You'll always be like a child

Guys are all the same (what you want)
When you're looking for it (you become impatient)
Are you a patient? Talk to a doctor
Stop pretending to be sick

Why are you provoking me, shaking me up?
Ooh ooh, what to do
You're so crazy, your acting is amazing
Never look for me again

Hubiruae pepe pepe, you're so funny

Move back, what're you looking at?
You're a tree that can't grow
Please, just quit it
Look for your girl somewhere else

Typical guys, howling like wolves
Poking around like they're starved
I'm losing interest, losing heart
I'm not even getting mad now
After breaking up with you, I'm singing
Even my family and friends sing hurray
Bye now baby
Forgetting you is so easy

Why are you provoking me, shaking me up?
Ooh ooh, what to do
You're so crazy, your acting is amazing
Never look for me again
