I know it's going to be today, my first kiss with you
Shy and awkward, I even like this side of you

For you, who is nervous because you don't know my heart
I'll kiss you on the cheek first
I'll only allow you, I can wait for you
Starting from today, sharala

Fallin' fallin' lovely song, next to you, sharala
Lovely lovely lovely song, I hear you breathing, my lips are trembling
When I see you (Like you like you oh, because of you, Like you like you)
Our own sharala

Fallin' fallin' lovely song, our breathtaking love, you're my angel
What do I do? I like you

Maybe I'm feeling electrified, my entire body trembles
My pounding heart feels like it'll fly away

I'm so excited and nervous that I can't think
But I'll only love you, I can be with you
Starting from today, sharala

Fallin' fallin' lovely song, next to you, sharala
Lovely lovely lovely song, I hear you breathing, my lips are trembling
When I see you (Like you like you oh, because of you, Like you like you)
Our own sharala

Fallin' fallin' lovely song, our breathtaking love, you're my angel
What do I do? I like you

Don't hurt my heart for you too much

Even imagining it makes me scared, promise me my honey
Starting from today, sharala

Fallin' fallin' lovely song, next to you, sharala
Lovely lovely lovely song, I hear you breathing, my lips are trembling
When I see you
Our own sharala

Fallin' fallin' lovely song, our breathtaking love, you're my angel
What do I do? I like you Woo baby
I just need you, You're my luv
I like you
