I guess I've gotten comfortable too
As if nothing happened
I'm just smiling

It was hard back then
Maybe we were a bit young
I didn't know what love was

Painful memories, resentment, after erasing all of that
I can only remember you smiling at me

What should I do now? I can't take it anymore
(What should I do) on such hard days like today?

I'm walking alone on the street we walked together
I stopped in place when I suddenly thought of you
What should I do when the tears don't stop?

What if my heart goes back?
What if all the traces I erased are still remaining?

Memories of crying and laughing, after gathering them all together
I remember how happy we were

What should I do now? I can't take it anymore
(What should I do) on such hard days like today?

I'm walking alone on the street we walked together
I stopped in place when I suddenly thought of you
What should I do when the tears don't stop?

We were so in love
The exhausted hearts and all the scars
Now all of it is so precious
We were so used to it that we didn't know
Our beautiful feelings for each other

What should I do now? I can't take it anymore
(What should I do) on such hard days like today?

I'm walking alone on the street we walked together
I stopped in place when I suddenly thought of you
When the tears don't stop
When I miss you
When I hate myself so much
What should I do?
