

## Stinkin' Problem

Cledus T. Judd

Yes I admit I've got a stinkin problem  
Pheeeew  
Ban Roll On just won't do  
I soaked in Clorox bleach  
Lysol and Pine Sol too

Yes I admit I've got a stinkin problem  
I filled the tub right to the top  
I'll start with my Brillo pad  
But I don't know when to stop

I wake up and right away  
A foul odor hits my nose  
What's my sweat glands start to pour  
I'll stink from my head down to my toes

Yes I admit I've got a stinkin problem  
Aqua Velva can't cut through  
Calgon won't take me away  
Mr Bubbles just says "pew"

Yes I admit I've got a stinkin problem  
Put Dr Scholl's in my flip flops  
Then I'll scrub my private parts  
But I don't know when to stop

I've been called some filthy names  
Why you no good little
