Do You Love Me?

Clem Snide

Do you love me baby,
Do you love me baby,
Do you love me as I love you?

Or do you hate me baby,
Do you hate me baby,
Do you hate me as I hate you?

'Cause I don't want it in-between
I will keep my feelings clean

Will you make me baby,
Will you make me baby,
Will you make me as I make you?

Or will you break me baby,
Will you break me baby,
Will you break me as I break you?

'Cause I don't want it in-between
I will keep my feelings clean

Do you love me baby,
Do you love me baby,
Do you love me 'cause I love you.
