

Heaven

Cleo Sol

You're sent from Heaven
I just hope you follow your dreams
You're one of a kind
And you're the reason why

There must be a Heaven
You're another reason to believe
Love is pure and kind
You are a light

That was sent from Heaven
Loving yourself is free
Please never change
Holy Spirit through my veins

This must, this must be from Heaven, Heaven
Live and direct from Heaven
I know God's listening from Heaven, Heaven, Heaven
God sent you here from Heaven, Heaven, Heaven, Heaven
God sent you here from Heaven, Heaven, Heaven, Heaven
God sent you here from Heaven, Heaven, Heaven, Heaven
