

## Sweet Blue

Cleo Sol

I love you more than once, a thousand more lifetimes  
Just because I'm young it doesn't mean I'm dumb  
I'll sit here and stay like it's a holiday  
Cause every day with you makes my day a sweeter blue  
Ooh, ooooh, oo

You wanna wake up smile at the day, huh  
Feel like I'm at the cage I hope right out, hmm  
My phone's engaged, I find myself walking out this maze ha  
My sunny face shines at the sky  
Cause it's so blue, ooh

Ay la la la la hey  
La la la la hey  
La la la la  
La la la la la la  
Hey, yeah  
No no no noo no no

My mother told me what to do without her, saying  
My mother told me what to do without her, saying  
Better to smile than let it get you down  
Darling, Darling please keep your head up to the sky  
It's beautiful outside  
And the sky just seems so blue

Hey la la la la hey  
La la la la hey  
La la la la  
La la la la la la la  
Hey, la

Love you more than once, a thousand more lifetimes  
Just because I'm young it doesn't mean I'm dumb  
I'll sit here and stay like it's a holiday  
Cause every day with you makes my day a sweeter blue  
A sweeter blue
