

# There Will Be No Crying

Cleo Sol

There will be no crying  
There will be no crying (No crying)  
There will be no crying (No crying)  
The light, it covers me

Ooh, there will be no fighting (No fighting)  
There will be no fighting (No fighting)  
The light, it covers me  
'Cause I just wanna be somebody  
Darling, we  
'Cause sometimes you need, someone  
I just wanna feel something real

'Cause there will be no crying (No crying)  
There will be no fighting (No fighting)  
'Cause I can't give in, no-no-no-no  
There will be no (No more fighting)  
There will be no fighting  
In a river full of dreams (Oh, ho-oh, oh, oh)  
Make it better, one thing that I need, is to be free (Oh, oh-  
oh, oh)  
Life's a battle that don't scare me

No, no, no, no  
No, no, no, no-oh

Woah (No crying), I'm gonna pick myself up again  
I'm gonna win  
No, no, no, no-oh, oh  
I'm not crying, no, I'm not fighting  
No, no, no, no-oh

There will be no crying (No fighting)  
There will be no fighting (No fighting)  
In a river full of dreams

I just wanna be happy
