

## BAD GUY

cleopatrck

I don't wanna be the bad guy again  
I don't wanna be him  
Please don't make me be the bad guy again  
Not him

I don't wanna be the bad guy again  
I don't wanna be him  
Please don't make me be the bad guy again  
Not him, not him, not him

Take it back, don't want it anymore  
This Judas cup, I don't fill  
Karma come in form of open sores  
Asked you not to punch the bruise, but you will

'Cause you want the city for yourself  
Yeah, you want the city for yourself  
You want the city for yourself  
You want the city for yourself

I don't wanna be the bad guy again  
I don't wanna be him  
Please don't make me be the bad guy again  
Not him
