

DOOM

cleopatrck

A close call
With an endless screen
Athena's open door
If only I'd known
You ain't my homie
Not my buddy
Ain't my bro

Just wanted to know
If there's a bottom or beginning to it all
If I can recall
I was somewhere stuck
Alone in dooming scroll

But oh I did it again
Got lost searching
For the end
It's in the palm of my hand

I did it again
Got lost searching
For the end
It's in the palm of my hand

I'm doomed
I'm doomed

But oh I did it again
Got lost searching
For the end
It's in the palm of my hand

Close call
With an endless screen
Athena's open door
If only I'd known
You ain't my homie
Not my buddy
Ain't my bro
