

PEPPERS GHOST

cleopatrick

I swear shit hadn't changed since the day that I spawned in
And that's what I wanted, my god, holding on to
Nostalgia with caution my pops hit my phone and
You know that I saw it but I don't respond 'til
I know what it's regarding
Oh that's when the whale devoured me entirely, I stood
Behind the teeth and tried to see through all the irony of bein
g duped
It was all a ruse, I'm fucking screwed man

So from your point of view, does this feel like it's real to yo
u?
Yeah, yeah
Do you believe what you're seeing is full truth, fool-
proof, no dispute
Does this feel like it's real to you?
Yeah
Yeah I thought I could verify who was on my side, man
I swore I'd seen it with my own two eyes man

I guess I'm a fool for fucking fallacy
When Peppers Ghost gets smoking mirrors in my vicinity, yeah
Yeah they look fucking real to me
They said sometimes promises don't mean a thing
I was listening to The Script Breakeven bridge and I swore that
I'd seen
Sirens and highbeams come brightly behind me

Yeah they look fucking real to me, yeah
Yeah they look fucking real to me, yeah
