

covered in diamonds

Clever

I just went major out the hood (aye)

This VVS it's hard to tell what the time is
I keep a hammer 'cause I'm covered in diamonds
I keep a hammer like a judge an umbrella in the court
'Cause I flood out my jewelry fuck what the price is
I got a throw away I can't get my license
The charge won't go away too many indictments
Why must I behave like I ain't got no guidance?
They turn me to a demon tell me why, tell me why, why, why

Don't get it twisted yeah this glitzy with me
You'll get a spin pull out a 50 just to take a pic
Bitch I'm a walking lick don't think it's sweet
'Cause I'll push a button and get that boy clipped
With this 4 NIC on me, I'll leave a dent, yeah I'll send a blitz
I'm a lil' demon nigga know that I be bossing bitches round
Never once played by the rules I be the one to put niggas down
I'll be the one layin' that cut with that lil stick and choppa sound
I'm the one who run the town
I'ma boss now
