

idk why

Clever

Oh, oh, oh
Oh Lord, Jetson made another one
Yeah

I did it, yeah, said I wouldn't but look how it ended
Killin' again, thinking how the fuck was I so senseless?
Yeah, okay, okay, uh

She wildin', wildin', uh, I don't know why
She wildin', wildin', uh, I don't know why
If she fuck up my check then she fuck up my life
Fuck up and strip, bitch, you fuck up my mind

Angel on my shoulder, devil on the other side
Deaf in one ear, deaf in one ear
And the devil said to tie you to the bedpost
You know how the rest goes
Treat you like an angel and then take you out them dress clothes
She thinks that I walk on water
So she came straight from Bible school to my private pool
And I said, "I fuck you right, I will, I fuck you right, I will
I'll fuck you like no one has ever ever made you feel"
Baby please, I hate be killin' again
How the fuck was I so senseless?
There's no interest, yeah

I did it, yeah, said I wouldn't but look how it ended
Killin' again, thinking how the fuck was I so senseless?
Okay, okay, uh

She wildin', wildin', uh, I don't know why
She wildin', wildin', uh, I don't know why
If she fuck up my check then she fuck up my life
Fuck up and strip, bitch, you fuck up my mind

I did it, yeah, said I wouldn't but look how it ended
Kill again, thinking how the fuck was I so senseless?
(Oh Lord...) Okay, okay, uh

She wildin', wildin', uh, I don't know why
She wildin', wildin', uh, I don't know why
If she fuck up my check then she fuck up my life
Fuck up and strip, bitch, you fuck up my mind

Oh Lord, Jetson made another one
