

## REAL VIBE

Clever

In time, realize  
Fantasy, I'm showing up in real life  
Inside, I'm still alive  
Give you what you wanted, it's a real vibe

It's a real vibe  
It's a real vibe  
It's a real vibe  
It's a real vibe

It's a real, real vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real, real vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real, real

It's a real vibe  
Let me show you what it feels like  
Tell me baby, do you feel alive? Yeah  
Tell me, can you see the sunrise?  
Baby, can you feel the sun rays?  
Dealing with the stress sometimes  
Let it go when the drum plays, yeah

In time, realize  
Fantasy, I'm showing up in real life  
Inside, I'm still alive  
Give you what you wanted

It's a real, real vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real vibe, vibe, vibe  
It's a real, real
