

# Way Out

Clever

Yeah-yeah  
Oh-oh-oh  
Yeah-yeah  
Oh-oh-oh  
Yeah-yeah, haha  
Oh-oh-oh (Haha)

Yeah, lost in my head, tryna find a way out (Yeah)  
Smilin' on the way down  
Lost, I'm lost, I'm  
Lost in my head, tryna find a way out (Yeah)  
Smilin' on the way down  
Lost, I'm lost, I'm

Why's it gotta rain on a Sunday?  
Another day, another plane on the runway  
It's one way to the moon  
Me and my bitch, that's gon' play in perfume  
I don't feel like comin' to the phone, it's a death race  
Tryna find a way out of my headspace  
Weighin' me down, weighin' me down, I carry that  
Waitin' around, waitin' around, I bury that

Yeah, lost in my head, tryna find a way out (Yeah)  
Smilin' on the way down  
Lost, I'm lost, I'm  
Lost in my head, tryna find a way out (Yeah)  
Smilin' on the way down  
Lost, I'm lost, I'm

I got all these burdens  
Roses in my window, but I'm lost behind the curtains  
Think I'm ever leavin', then they left me, yeah, I'm searchin' (Yeah, yeah)  
Lately they been lurkin', lurkin', oh, oh-oh  
Prisoner behind my troubled mind  
I just keep it up and then I come alive  
My life, I speed it up, I live in overdrive  
I put my head in my hands, I don't know how to cry  
I just can't find the time

Yeah, lost in my head, tryna find a way out (Yeah)  
Smilin' on the way down  
Lost, I'm lost, I'm  
Lost in my head, tryna find a way out (Yeah)  
Smilin' on the way down  
Lost, I'm lost, I'm

Lost in my head, yeah (Oh, oh, yeah-yeah, yeah-yeah)  
Lost in my head (Yeah, yeah, yeah-yeah, yeah-yeah, yeah)  
Oh, yeah, yeah  
Lost, I'm lost, I'm  
Lost, I'm lost, I'm, yeah  
I'm lost in my head
