Ghosts

```
I can be down
All my life
It's my time
To recognize
Story died
Truth inside

I'm talking to ghosts
I'm talking to fools
I'm talking to walls
I'm through with you

Life goes on
You were mine
It's my time
You're losing mine
The story died
Pain inside

I'm talking to ghosts
I'm talking to fools
I'm talking to walls
I'm through with you

I'm talking to ghosts
Talking to fools
Talking to walls
I'm through with you
It's over
It's over
```
