

Love All Night

Client

Ooh, i'm feeling all right tonight
Feeling all right tonight
I'm feeling all right tonight, tonight, tonight
Love, i'm loving all night tonight
Loving all night tonight
I'm loving all right tonight, tonight tonight

Love all day and i love all night
I'm gonna love you through the tender night
I'm gonna say what i feel, feel what i say
And then i'll love you till the break of day

Oooh i'm giving all night tonight
Giving all night tonight
I'm giving it right tonight, tonight, tonight
Yeah i'm getting it right tonight
Getting it right tonight
I'm getting it right so right, tonight, tonight
