

Lullaby

Client

Saint, sinner
Mercy, reward
Never cheat
All sounds the same to me

Weakness, temptation
Justice, redemption
Subvert, convert
Just make it clear to me

Close your eyes
Lullaby
Dream your sweet dreams
Silence your screams

Torture, vice
Ignorance, bliss
Convention, obey
This is the only way

Close your eyes
Lullaby
Dream your sweet dreams
Silence your screams

Close your eyes
Lullaby
From the nightmares
Nobody cares

Close your eyes

Close your eyes
Lullaby
From the nightmares
Nobody cares
