

Angel

Cliff Richard

Angel
With those angel-eyes
Come and take the earth-boy up to paradise

Mmm, angel (Angel)
May I hold you tight (So tight)
I never kissed an angel
Let me kiss one tonight

If I said I love you
Would I be speaking out of term
I'm only human
But I'm willing to learn

Angel (Angel)
Make my wish come true
Ooohooo, let me be in heaven
Here on earth with you

If I said I love you
Would I be speaking out of term
I'm only human
But I'm willing to learn

Mmm, Angel (Angel)
Make my wish come true
Let me be in heaven
Here on earth with you

Mmm, Angel
Angel
