

Dimples

Cliff Richard

I love the way you walk
I love the way you talk
I love the way you walk
Love the way you talk
I got my eyes on you

I like the way you smile
Babe you really got style
I'd walk a thousand miles
For just one smile
I got my eyes on you
On you babe, yeah

Yeah, yeah
Yeah, yeah

(Take it again)

You got dimples in your jaw
Just makes me love you more
You got dimples in your jaw
Makes me love you more
I got my eyes on you

Well, I see you every day, yeah
I'm so glad you came my way
I took one look and I got hooked
I got my eyes on you
Eyes on you baby

Yeah, yeah
Yeah, yeah

I love the way you walk
I love the way you talk
I love the way you walk
I love the way you talk
I got my eyes on you

Yeah, I love the way you smile
Babe you really got style
I'd walk a thousand miles
For just one smile
I got my eyes on you

I'd walk a thousand miles
For just one of your smiles
I got my eyes on you

Hooohooohoooooh
Just took one look
Babe I got hooked
Yeah, yeah
Oh yeah
I'd walk a thousand miles
For just one smile
Oohooooohooooohoooooh

You got me hooked
With just one look
