Don't Say You Love Me (It'll Ruin My Day)

Cliff Richard

There there you go again, killing my vibe
First thing in the morning
You ain't wasting no time
You say you wanna talk
But all I'm thinking is
I really don't want to hear it

'Cause everything you say is subject to change
You give me your heart, you take it away
Already told you how I feel about it
So now I don't have nothing to say

'Cause I don't want to fight tonight
Though you'd like to, I'm not trying to
I just wanna fly tonight
And be free from what you're feeling

So don't say you love me, it'll ruin my day
Your love is getting in my way
So don't say you love me
Don't say you love me
Don't say you love me, it'll ruin my day

Your love is vicious, vain, toxic and cold
Your arms are schizophrenic, babe, out of control
But you don't see it
You don't believe it
You think you're so damn normal

Well I don't even care if you want me
I don't give a damn if you leave
Just wanna party now
Let's get it started now
Too young to die over this

I don't wanna fight tonight
Though you'd like to, I'm not trying to
I just wanna fly tonight
And be free from what you're feeling

So don't say you love me, it'll ruin my day
Your love is getting in my way
So don't say you love me
Don't say you love me
Don't say you love me, it'll ruin my day

Don't say you love me, yeah, you'll ruin my day
Your love is getting in my way
So don't say you love me
Don't say you love me
Don't say you love me, it'll ruin my day

Don't say, don't say it
Don't, don't, dddd don't
Ddd don't, don't say it
It'll ruin my day
Don't, ddd don't, don't say you love me

```
Don't ooh
Don't say you love me, it'll ruin my day
```
