

Joanna

Cliff Richard

Please don't ask me what went wrong
I never planned it to come out like this
Silent moments, thoughtless words
I never wanted these memories

Joanna
I love you so

Don't wait for me joanna
I never meant to hurt you so
But now I have to let you go
Don't wait for me joanna
I'll always say a prayer for you
And hope some day that you
Will find true love

When as children we used to play
We sat and wondered where we'd be today
I said we'd never be apart
But now we lie among the broken hearts

Joanna
I love you so

Don't wait for me joanna
I never meant to hurt you so
But now I have to let you go
Don't wait for me joanna
I'll always say a prayer for you
And hope some day that you
Will find true love

Don't wait, no no

Joanna
I can't let go, no

Don't walk away joanna
I never meant to hurt you so
But now I know I can't let you go
Don't walk away joanna
I'll always say a prayer for you
And I hope that you will find
In me true love
