

# Let It Snow

Cliff Richard

Let it snow, let it snow  
Let it, let it snow  
Let it, let it all go

Ooh the weather outside is frightful  
But the fire is so delightful  
And since we got no place to go  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
But I've bought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow  
Let it snow, let it snow  
Let it snow, let it snow, let it snow

When we finally kiss goodnight  
I'll hate to be out in the storm  
But if you really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And, baby, we're still good-bying  
But as long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow, babe, let it snow  
Let it snow, let it snow, let it snow  
Let it snow  
Let it snow, let it snow, let it snow

All the way home I'll be warm

The fire is slowly dying  
And, baby, we're still good-bying  
But as long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow

Come on, let it snow  
Let it snow, let it snow, let it snow  
Let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow  
Let it snow, let it snow, let it snow
