

Lover

Cliff Richard

Lover, when you're near me
And I hear you call my name
Softly, in my ear you breathe a flame
Lover, while we're dancing
Please keep glancing in my eyes
'Till love's own entrancing music dies

All of my future is in you
And to resist you I try
My hope, you'll always continue to be mine
Lover, please be tender
While your tender fears depart
Lover, please surrender to my heart

Oh, I say a devil is in you
And to resist you I try
But if you did not content you, I'll die

Lover, please be tender
While your tender fears depart
Lover, please surrender to my
Lover, lover, please surrender
Please surrender to my heart
Lover, lover, please tender
Please surrender to my heart
Lover, please surrender to my heart
