

## Me Oh My

Cliff Richard

Me oh my, he's such a lucky guy  
Got no worries, got no cares  
He won't get those old grey hairs  
Here's the reason why he's such a lucky guy

Me oh my, he never tells a lie  
Everybody, big or small  
He don't care, he loves them all  
Let us tell you why he's such a lucky, lucky guy

Got no money, never had any  
Doesn't worry him at all  
He keeps singing, ring-a-ding dinging  
Life to him is just a ball

Me oh my, some people wonder why  
He's never seen without a smile  
They should know it, that's his style  
Here's the reason why he's such a lucky, lucky guy

Got no money, never had any  
Doesn't worry him at all  
He keeps singing, ring-a-ding dinging  
Life to him is just a ball

Me oh my, some people wonder why  
He's never seen without a smile  
They should know it, that's his style  
Here's the reason why  
He such a lucky, lucky guy
