River Flow

Cliff Richard

When the moon is your only friend
All your dreams they come to an end
You just hope for the sun to rise
But you can't see with your blinded eyes

When you feel like you're down and out
Don't really know what it's all about
When you're stuck, when you're lost in fear
And you've wasted another tear

Then I know we can turn the tide
As long as I'm around you don't have to hide
You bring life everywhere you go
Like a river flow (oh-oh)

Then I know we can turn the tide
As long as I'm around you don't have to hide
You bring life everywhere you go
Like a river flow (oh-oh)

Like the leaves falling from a tree
Like the rain falling down on me
Something new will be on it's way
Every sunrise is another day

Another day, another year will come
But you ain't done

Then I know we can turn the tide
As long as I'm around you don't have to hide
You bring life everywhere you go
Like a river flow (oh-oh)

Like a river flow, like a river flow
Like a river flow, like a river flow
Like a river flow, like a river flow
Like a river flow (oh-oh)

Then I know we can turn the tide
As long as I'm around you don't have to hide
You bring life everywhere you go
Like a river flow (oh-oh)

Like a river flow, like a river flow
Like a river flow, like a river flow
Like a river flow, like a river flow
Like a river flow (oh-oh)
