

Someday (You'll Want Me To Love You)

Cliff Richard

I know that someday
You'll want me to want you
When I'm in love with somebody new
You expect me to be true
And keep on loving you
Though I am feeling blue
You think I can't forget you

Until someday
You'll want me to want you
When I'm in love with somebody new
And though you don't want me now
I'll get along somehow
And then I won't want you

I know that someday
You'll want me to want you
When I'm in love with somebody new
You expect me to be true
And keep on loving you
Though I am feeling blue
You think I won't forget you

Until someday
You'll want me to want you
When I'm in love with somebody new
And though you don't want me now
I'll get along somehow
And then I won't want you

No-no, I won't want you
When you knocking on my door
I'm gonna sick and weak
'Cause I don't want you
No-no-no-no-no-no...
