

# Wonderful Life

Cliff Richard

Birds in the sky  
Flying way up high  
Mmm they seem to sigh  
It's a wonderful life

Fish in the sea  
All born to be free  
Yes, they all agree  
It's a wonderful life

All over the world  
In the heart of each boy and girl  
You will find treasure there  
Waiting to be unfurled

So follow the sun  
And you'll have lots of fun  
And then you will see  
It's a wonderful life

Go to the places that you've never been  
See all the people that you've never seen  
Do all the things that you do in your dreams  
And you'll see it's a wonderful life

All over the world  
In the heart of each boy and girl  
You will find treasure there  
Waiting to be unfurled

So follow the sun  
And you'll have lots of fun  
And then you will see  
It's a wonderful life

Go to the places that you've never been  
See all the people that you've never seen  
Do all the things that you do in your dreams  
And you'll see it's a wonderful life

A wonderful life  
It's a wonderful life
