Mean Old World

Climax Blues Band

```
This is a mean old world
Try live in by yourself
This is a mean old world
Try live in by yourself
You can find the one you love
You can find somebody else

I've got the blues
I gonna pack my things and go
I've got these blues
I gonna pack my things and go
You don't love me
Your loving mister so-and-so

This is a mean old world
Try live in by yourself
This is a mean old world
Try live in by yourself
You can find the one you love
You can find somebody else

Sometimes I wonder
Why in the world don't write to me
Sometimes I wonder
Why in the world don't write to me
Sometimes I wonder how you can be the way you be
```
