

## Summer Rain

Climax Blues Band

I had good love, but no longer  
I can't tell you just what went wrong  
I woke up on that rainy morning  
And like the sunshine, she was gone

She was golden like the sunshine  
She was soothing like the summer rain  
I've been searching this whole world over  
I've got to find her and bring her back again

She was golden like the sunshine  
She was cool like summer rain  
I've got to find that girl  
Bring her back again

So if you see her, won't you tell her I'm coming  
I've got to find her, tell her I'll be there  
Because my feet just won't keep from walking  
Until I find her and bring her back again

She was golden like the sunshine  
She was cool like summer rain  
I've got to find that girl  
Bring her back again

If you see her, won't you tell her I'm coming  
I've got to find her, tell her I'll be there  
Because my feet just won't keep from walking  
Until I find her and bring her back again

She was golden like the sunshine  
She was cool like summer rain  
I've got to find that girl  
Bring her back again
