

Wrong Time

Climax Blues Band

By the time you get this letter
I'll be halfway to the moon
But that is the only place I can think of
That gets me as far away from you

You had me thinkin' we were lovers
And I only ended up as a fool
I felt so uneducated
Like I'd never gone to school

I was just the wrong man, wrong face, wrong time
And everything in between
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all

I was just the wrong man, wrong face, wrong time
And I was just a-livin' the dream
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all

Too many times without good reason
You left me standin' on my own
While you were out there sellin' somethin'
Oh with your head stuck in your phone

You never thought that I would notice
That we had drifted so far apart
But I kept my head above the water
But yours was firmly up your...

I was just the wrong man, wrong face, wrong time
And everything in between
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all

I was just the wrong man, wrong face, wrong time
And I was just a-livin' the dream
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all, no

I was just the wrong man, in the wrong place
And everything in between
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all

I was just the wrong man, wrong face
Wrong time, wrong place
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all

I was just the wrong man, wrong face
Wrong time, wrong place
Ooh, you gave me nothin'
Ooh, you gave me nothin' at all, no

(Wrong man, wrong face, wrong time
Wrong man, wrong face, wrong time

Wrong man, wrong face, wrong time
Wrong man, wrong face, wrong time
Wrong man, wrong face, wrong time
Wrong man, wrong face, wrong time)
