

You Make Me Sick

Climax Blues Band

You got a wicked spell
You're making me feel unwell
You burn me with your touch
You make me sick 'cause I love you so much

I've got hammers bangin' in my head
I've got snakes crawlin' in my bed
If you keep on pushin' me, I'll soon be dead
You make me sick 'cause I love you so much

Why do you treat me so mean?
You're actin' like a voodoo queen
Magic in your touch
You make me sick 'cause I love you so much

I've got hammers bangin' in my head
I've got snakes crawlin' in my bed
If you keep on pushin' me, I'll soon be dead
You make me sick 'cause I love you so much

Hey, whoo
Yeah
Come on, come on
Yeah
Ha
Ha, whoo, come on
Yeah
Yeah, come on

Why did you pick on me?
I'm livin' in misery
You burn me with your touch
You make me sick 'cause I love you so much

I've got hammers bangin' in my head
I've got snakes crawlin' in my bed
If you keep on pushin' me, I'll soon be dead
You make me sick 'cause I love you so much

I've got hammers bangin' in my head
I've got snakes crawlin' in my bed
If you keep on pushin' me, I'll soon be dead
You make me sick 'cause I love you so much
