

Bubblegum

Clinic

You're piecin' together
Cruisin' your bed
And countin' the faces
With no limitations

No limitations, yeah
For you
I'm here
For good

With secrets you're livin'
With someone you're hittin'
A love that you're takin'
With no limitations
No one is vacant

No limitations, yeah
For you
I'm here
For good
A bubblegum
Oh, oh

You're piecin' together
Cruisin' your bed and
Countin' the faces
With no limitations
No one is vacant

No limitations, yeah
For you
I'm here
For good
A bubblegum
Oh, oh

You're here
I'm here
For good
