

King Kong

Clinic

With your bowl
Upon the Kampf
I hope you handle
The fail an angle

Before the Queen
Before the House
You swore allegiance
To keep your hand there
And fix your bottle
And all that's welter

Oh well
Oh well
Ah-ah-ah ah
Ah-ah, ah-ah-ah
Ah-ah-ah ah
I'll begin

With the blind
And blind lust
I sold a partner
And lost another
For the Prince
For the Queen
I wrested fortunes
I walled up fortunes
To save you building
Another realm, and

Oh well
Oh well
Ah-ah-ah ah
Ah-ah, ah-ah-ah
Ah-ah-ah ah
I'll begin

Ah-ah-ah ah
Ah-ah, ah-ah-ah
And for the Queen
And my lust
I filled my number
And caught and bother
I lit me candle
And lost a canyon

Oh well
Oh well
Ah-ah-ah ah
Ah-ah, ah-ah-ah
Ah-ah-ah ah
I'll begin

Oh well
Oh well
Ah-ah-ah ah
Ah-ah, ah-ah-ah

Ah-ah, ah-ah-ah
Ah-ah, ah-ah-ah
Ah-ah, ah-ah-ah
Ah-ah, ah-ah-ah
Ah-ah, ah-ah-ah
Ah-ah, ah-ah-ah
I'll begin
