Give me your love
Give me your love
All of your charms
All of your charms

We'll meet again
We'll meet again
We'll meet again
And we'll meet again and...

The touch of your skin
The touch of your skin
It keeps me alive
Keeps me alive

And give me your love
And give me your love
And give me your love
And give me your love
And give me your love

We'll marry in Spring
We'll marry in Spring
Out of my mind
Out of my mind

And give me your love
And give me your love
And give me your love
And give me your love
And give me your love
