You were the first thing that I thought of When I thought I drank you off my mind When I get lost in the liquor You're the only one I find And if I did the things I oughta You still would not be mine So I'll keep a tight grip on the bottle Gettin' loose and killin' time

[Chorus:]

This killin' time is killin' me
Drinking myself blind thinkin' I won't see
That if I cross that line and they bury me
I just might find I'll be killin' time for eternity

I don't know nothin' 'bout tomorrow
I've been lost in yesterday
I've spent all my life just dying
For a love that passed away
And if there's an end to all my sorrow
And this is the only price I'll pay
I'll be a happy man when I go
And I can't wait another day

[Chorus]
