

## Something That We Do

Clint Black

I remember well the day we wed  
I can see that picture in my head  
I still believe the words we said  
Forever will ring true  
Love is certain, love is kind  
Love is yours and love is mine  
But it isn't something that we find  
It's something that we do  
It's holding tight, lettin' go  
It's flying high and laying low  
Let your strongest feelings show  
And your weakness, too  
It's a little and a lot to ask  
An endless and a welcome task  
Love isn't something that we have  
It's something that we do  
We help to make each other all that we can be  
Though we can find our strength and inspiration independently  
The way we work together is what sets our love apart  
So closely that you can't tell where I end and where you start  
It gives me heart remembering how  
We started with a simple vow  
There's so much to look back on now  
Still it feels brand-new  
We're on a road that has no end  
And each day we begin again  
Love's not just something that we're in  
It's something that we do

We help to make each other all that we can be  
Though we can find our strength and inspiration independently  
The way we work together is what sets our love apart  
So closely that you can't tell where I end and where you start

Love is wide, love is long  
Love is deep and love is strong  
Love is why I love this song  
And I hope you love it too  
I remember well the day we wed  
I can see that picture in my head  
Love isn't just those words we said  
It's something that we do

There's no request too big or small  
We give ourselves, we give our all  
Love isn't someplace that we fall  
It's something that we do
